

To determine your travel dates: Double-check your registration email for course start & end dates

COURSE START: 2PM at Redmond Airport (RDM), Oregon – Baggage Claim

Please arrive well-rested, hydrated, as healthy as possible, wearing clothes to camp in, having eaten and made any necessary phone calls **before 2 PM** on your course start date.

A Northwest Outward Bound School representative will be at Baggage Claim to ensure that everyone has arrived and will be available to answer any last-minute questions. Participants without final approval from their Course Advisor will not be allowed on course. PLEASE DO NOT BE LATE: it is extremely difficult to get late arrivals to the course start.

If your flight has been delayed, CALL:

During regular business hours, Monday-Friday 8:30 AM-5 PM (Pacific)	(503) 946-3404 option 3
Weekday evenings (until 8 PM), or on weekends 8:30 AM – 8 PM (Pacific)	(541) 699-1001 option 0

COURSE END: 7 AM at Redmond Airport (RDM) – Baggage Claim

Participants will be at the airport by 7 AM and may be picked up at this point or scheduled on a flight that departs **after 8 AM** (at the earliest). Students registered for an airline’s Unaccompanied Minor Service will be accompanied by Outward Bound staff to their gate. Students not flying as Unaccompanied Minors will be assisted with check-in and will be dropped off at security.

UNACCOMPANIED MINORS:

Airlines have varying Unaccompanied Minor policies. Please do NOT choose Unaccompanied Minor Service unless required by your airline. Some airlines require that passengers age 14 and younger either fly with a companion over the age of 18, or pay for their “Unaccompanied Minor” service (this fee ranges from \$50-\$300 round trip, depending on the airline). In most cases, this service is optional for travelers between the ages of 15-17. If you have additional questions, please contact your Course Advisor.

ACCOMMODATIONS:

For participants who will be arriving a day early or departing the day after course, the following hotels are located near the airport (ask if they offer shuttle service or special rates for Northwest Outward Bound students):

Outward Bound Health and Safety Standards

Outward Bound schools continue to monitor the COVID-19 pandemic and will adjust policies and procedures as the situation evolves. Students applying for summer 2021 programs will be advised through frequent email updates about any changes in travel information, testing requirements, and physical distancing and hygiene practices. [For current "Health and Safety Standards for Outward Bound Expeditions," click here](#)

Travel Restrictions

There may be state-determined travel restrictions for students (related to the states they are traveling from and to.) Currently, OR and WA have no travel restrictions. This is also true for Lewiston, ID, the only ID airport used by NWOBS (note that Boise and Ada Counties do require a 14-day quarantine.) Depending on the state in which a student resides, there may be additional restrictions for travel to Idaho. Please check this list, which is updated weekly <https://www.nytimes.com/2020/07/10/travel/state-travel-restrictions.html> The Northwest Outward Bound School may have additional travel restrictions which will be communicated to students if and when applicable.

Travel Insurance

Travel insurance is HIGHLY recommended, now more than ever. Travel insurance DOES NOT COVER: fear of getting the Covid-19 virus; or, Outward Bound course cancellation due to the pandemic. Travel insurance DOES COVER a student getting the Covid-19 virus prior to travel, or while they are on the course and needing to quarantine or receive medical attention.

Purchase of Travel Insurance

When a student is approved for course AND NWOBS has determined that a course has sufficient enrollment to run the course, you will receive an email stating "Cleared to Book Travel." This is the point at which you would purchase insurance, if you choose to do so, from a travel insurance company. Travel insurance companies generally allow 15 days to review the policy and cancel after purchase.

To be covered for pre-existing medical conditions and the possibility of supplier (NWOBS / airline) financial default, you must purchase travel insurance within 21 days of your "Cleared to Book Travel" email date. You may also opt to purchase insurance up until 24 hours prior to your departure from home (driving or flying date) to cover travel alone.
